- Kids are being taught all the means of shooting safety while building skills in coordination, speed, and accuracy.
- Airsoft brings a whole new meaning to "a girls night out"!
- It's fresh, it's new, it's competitive-anything else to say? Yes, It's a less expensive route in sport shooting.
- Overall, Airsoft is a great new challenge for the whole family.

We hope you will take advantage of this new sport coming to the DGC. Practice range and tactical course, complete with timed challenges and weekly competitions!

ABOUT OUR CLUB

The Detroit Gun Club has been at its current location since 1954. It is, without a doubt, one of the finest shooting facilities in the country. In 1990, the club was voted Club of the Year. In 2001, the club was again voted All Around Club of the Decade. The Detroit Gun Club has 9 registered skeet fields, 9 registered trap fields, an 8 machine 5-stand, and a 13 station (3 machines per station) sporting clay course. We are #1 in the country for throwing a combination of skeet and sporting clay targets and #3 in the country for sporting clays alone. We have a full bar and restaurant in our 3500 square foot clubhouse, and we have a professional & personable wait staff.

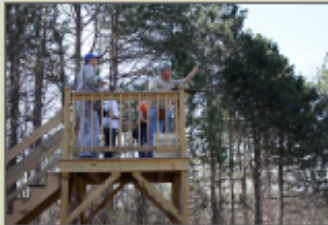

ABOUT OUR SKEET FIELDS

Our skeet fields at the DGC are second to none. Our machines are top of the line Superstars with 300 target carousels. Our skeet tournaments set the standards for other gun clubs across the country. They are run with professional cashiers and referees.

ABOUT OUR SPORTING CLAY COURSE

Our sporting clay course is a paved mile long trail winding through pines and hardwoods. It includes 13 stations with 3 machines per station. We have two portable 60-foot cranes. We have elevated shooting stands as well as elevated throwing platforms with a fully automated Claymate release system. We pride ourselves on being the leading edge in the state of Michigan. We were voted "Club of the Year" by the NSSA for the last 6 consecutive years. Our course is completely changed monthly.

PRIVATE PARTIES

Members of the DGC are welcome to host their business or personal events at the club. Events must be scheduled on our "off" days. Parties can be strictly for shooting, dining, or both. For more information and fees, please contact the club.

SPECIAL EVENTS/CHARITY SHOOTS

The Detroit Gun Club is proud to host special events for many charities such as the Detroit Institute for Children, Ronald McDonald House, Boy Scouts of America, Salvation Army, and the Alzheimer's Association. We are proud to say that we raise approximately \$300,000.00 for these charities per year.

ABOUT OUR DINING ROOM

Our kitchen serves breakfast, lunch and dinner along with enticing daily specials. Personal dinner requests are always accommodated. We also have a full bar and a generous wine list. Our kitchen hosts dinner and cocktail parties for our large tournaments that host as many as 300 guests.

ABOUT OUR ACCOUNTING

Members of the Detroit Gun Club are entitled to a "house charge" system, meaning they are allowed to charge any of their shooting (registration for tournaments excluded), pro shop items, dining room tabs and gratuities, and will be billed monthly. It is required by the club that you spend \$30.00 (shooting or dining) every three months or you will be billed a \$30.00 minimum.

YOUR MEMBERSHIP

Your membership is a family membership. It includes you, your spouse, and your children up to age 20.

GUEST PRIVILEGES

Guests must be accompanied by a member. He/She can only use their privilege once a month. Members are responsible for guests tabs & safety etiquette at the club.

NSSA/NSCA REGISTERED TOURNAMENTS

Tournament schedules are posted on both our club calendar and our website.
